

PART I: Read your *Essay 1 Revision-In-Progress* & make a Roadmap of the essay's argument.

(1) **First**, for each point on *your* Roadmap, paraphrase & explain first the THESIS & then each ASSERTION claim in each body paragraph (i.e. note if the Assertion's I SAY claim factual, descriptive, or evaluative? What does the Assertion claim? Does the claim match the focus of the paragraph?)

(2) **Second**, write a few sentences to analyze: a) IF the essay has an argument a) sequence of evaluative claims), b) if the argument has a shape or logical organization and if that's the best order, and c) IF the argument supports the Thesis.
